

CELEBRATING THE LIFE OF

*Cheryl
Snell*

19 AUGUST 1950 - 26 NOVEMBER 2025

*"Do what makes you happy,
be with who makes you smile,
laugh as much as you breathe,
and love as long as you live."*

Rachel Ann Nunes

*She fought with grace, she loved
with ease,*

Her kindness never waned.

*She laughed and danced her way
through life,*

*And cherished every day
she gained.*

*Though illness dimmed her voice
and step,*

Her courage remained.

*She faced each moment with
quiet strength,*

Her spirit never tamed.

*Now free from pain,
she walks with him.*

Together, whole again.

*Her gentle strength lives on in us,
A light that will not end.*

*On behalf of the family, we thank
you for celebrating Cheryl's
life with us and for keeping her
memory alive in your hearts.*
